

Chad Mitchell Trio, The Story Of Alice - Part 1

This is the story of Alice
Told without any malice
Alice is loved by Algernon
And there's no wondering
For Alice is very beautiful
Is beautiful, is beautiful, is beautiful
Except for one little thing

Her nose, it glows
It's red and it's graphic
It lights up in traffic
But Alice is loved by Algernon
And there's no wondering
For Alice is very beautiful
Is beautiful, is beautiful, is beautiful
Except for one little thing

Her hair despair
You've heard of a crewcut
She's got nothing to cut
But Alice is loved by Algernon
And there's no wondering
For Alice is very beautiful
Is beautiful, is beautiful, is beautiful
Except for one little thing

Her tooth for sooth
Now what could be droller
A smile with one molar
But Alice is loved by Algernon
And there's no wondering
For Alice is very beautiful
Is beautiful, is beautiful, is beautiful
Except for one little thing
