

# Chad VanGaalén, Old Man + The Sea

You made a promise to yourself you'd find her,  
and bring her back for the world to see.  
She is shimmering, she is beautiful;  
I thought catching her would set you free.  
But she was such a long way down  
she was such a long way  
she was such a long way do-wwn  
she was such a long way  
Got the line pulled tight  
cut through your hands you were up all night  
Was it hallucination  
or did your eyes see right?  
Did your eyes see...

oooh-oooh oh oh.  
ohhh oh oh ooohhh...
