

Chaka Khan, Blue Love

Blue love, why'd you have to go and make me sad and blue
Love, you're the only one I gave it to and

You can't believe that I'm dying for you
Can't you see I've been trying for you
I just can't stop this crying for you, ooh-ooh

They say you never know love until somebody leaves you
You never know love until your baby leaves you
You never know love until your loves turns to

Blue love, who could ever think that you would be untrue
Love, I'll do anything you want me to 'cause

You can't believe that I'm trying for you
Can't you see I've been crying for you
I just can't stop this crying for you, oh you

They say you never know love until somebody leaves you
You never know love until your baby leaves you

You never know love until your loves turns to blue

Tony:

I been hanging on such a long, long time
Waiting for the return of your smiling face

Chaka:

And the test and the time that changed every mind can't you see
That my world is an unhappy place

Tony:

Oh this love in my heart is tearing me apart

Chaka:

Need ya here wit me how happy we could be

Tony:

Together

Chaka:

Us forever

They say you never know love until somebody leaves you
You never know love until your baby leaves you
You never know love until your loves turns to blue
