

Chaka Khan, I'm A Woman (i'm A Backbone)

Chaka Khan

Rufusized

I'm A Woman (i'm A Backbone)

I am a species born to die

Understanding this, i hardly cry

Growin' up and out, i'll marry you

I'll bear your kids and be your mama too cause

Chorus:

Cause i'm a woman and i'm a backbone

I'm a woman and i'm a backbone

Everybody needs one

Goin' on i live from day to day

Give a little heart for my life to pay

Smile and then i need to cry

Never knowin' if i lie (or die)

Chorus

Understand you will not see me down

Both of my feet are on the ground

Come lay your head upon my chest

I'll love you hard, i'll give my best
