

Chaka Khan & London Symphony, I'm In the Mood

I'm in the mood for love
Simply because you're near me
Funny, but when you're near me
I'm in the mood for love
Heaven is in your eyes
Bright as the stars we're under
Oh, is it any wonder
I'm in the mood for love
Why stop to think about the weather
This little dream may fade
Let's put our hearts together
Now, we are one, I'm not afraid
If there's a cloud above
If it should rain, we'll let it
But for tonight forget it
'Cause I'm in the mood for love
Let's put our hearts together
Now, that we are one, not afraid
If there's a cloud above
And if it should rain, we'll let it
But baby, for tonight just forget it, baby
I'm in the mood for love
Baby, baby, baby, baby, baby
I'm in the mood
I'm in the mood for love
