

Chaka Khan, Reconsider

Please forgive me
I don't know what to say except I'm sorry
To scare you away from me
I get crazy and don't know what I've done
It's all hazy
Thought we were having fun
Was it so bad
You feel you had to leave me, baby
Now that you're gone
I need to belong, believe me baby

Chorus

I would be so glad
If you would reconsider and stay
Reconsider, reconsider, reconsider

Baby's cryin'
It's so cold in our place
Inside I'm dyin'
We need the smile on your face
Don't need no money
I don't need no girlfriends
Want my daddy
To love me again and again and again and

Chorus

Sometimes honey
I know I talk too loud
Short temper
I'm apt to cuss you out
I don't mean it
Passion gets the best of me
Still I love you
And I feel like you love me too

Chorus

If you walk out that door
You betta reconsider this
If you don't call me no more
You betta reconsider, reconsider that
Reconsider
If you think you were lonely before, you betta
Reconsider, reconsider this
That I changed the lock on this door, you betta
Reconsider that
If you stop payin' these bills, you gotta
Reconsider
I betcha somebody will, you betta
Reconsider
