

# Chalee Tennison, I Let Him Get Away With It

(W.L. Burnette/Brett Beavers)

Every now and then I'd mention her to him  
He'd get that look in his eyes  
But it was only there a minute  
So I let him get away with it

There was one day he called me by her name  
It tore me all up inside  
He never even knew he did it  
So I let him get away with it

I let it go, I closed my eyes  
I told myself just this one time  
Yes, I refused to see the signs  
Oh, but love is blind

I said "I love you," he would say "me too"  
But when I looked in his eyes  
I wasn't really sure he meant it  
So I let him get away with it

He took a part of me the day I watched him leave  
So I gave him all of my heart  
Lord how I hate to admit it  
I let him get away with it

I let it go, I closed my eyes  
I told myself just this one time  
Yes, I refused to see the signs  
Oh, but love is blind

Every now and then I'd mention her to him  
He'd get that look in his eyes  
But it was only there a minute  
So I let him get away with it  
Oh, I let him get away with it  
I let him get away with it
