

Chalee Tennison, I'm Healing

(Chalee Tennison/Dean Dillon)

I woke up this morning
For the first time in a long time
I felt alright
I didn't dream about you
Like I dreamed about you
All those lonely nights
I poured myself some coffee
Left your cup on the shelf
I'm finally feeling all right
With being by myself

I'm healing
I'm gettin' over you
I'm dealing
With all you put me through
Slowly a new me's appearing
Oh I'm healing

I finally got the nerve up
To take down all those pictures
And not fall apart
There I finally did it
Oh heart, go on admit
That wasn't so hard
I sat down and read the funnies
Peanuts made me laugh
One of life's little pleasures
But it's simple things like that
That's got me

I'm healing
I'm gettin' over you
I'm dealing
With all you put me through
Slowly a new me's appearing
Oh I'm healing
