

Chameleons, Less Than Human

Chameleons

Script Of The Bridge

Less Than Human

Must have died a thousand times

I must have died a thousand times

I must have died a thousand times

Feeling less than human

I surmise I'm less than human

In Gods' eyes

Time he's on my side, she said

Time he's on my side, she said

He may be on your side I said

But it makes no difference in the end

He's coming after you my friend

Must have cried a thousand times

Must have cried a thousand times

I must have cried a thousand times

Feeling less than human

I surmise I'm less than human

In Gods' eyes

I must have died a thousand times

I must have died a thousand times

And I must have cried a thousand times

I must have cried a thousand times
