(\*fan on phone\*)

Hey yo Koopa what's up man, this is Lil' Josh man  
I'm calling from Cleveland, Ohio man  
And basically, I'm just calling to let you know that you know I'm saying  
Up here, y'all boys is the only thing that we really jam  
Know I'm saying, Koopa I'm a huge fan of the old Chamillitary Entertainment  
Click movement man, that I can rap you know I'm saying  
I know you prolly get people, that say they could rap all day  
You know I'm saying, but I'm tal'n bout I can really really really really...

[Chamillionaire]

Ain't really knowing where you going, but you going through it  
Ah you love to go to the studio, devoted to it  
Light up a swisha nigga, get a sweet and blow it to it  
Cause this year gonna be a year, you'll be sure to do it  
I know ya going through some thangs, trying to get in the game  
But you complain, cause these rappers that you hearing is laim  
And it's a shame, that ain't nobody seeing your pain  
It's like, and tears never show in the rain  
But you don't hear me though, like the music really low  
You love rap mayn, but you don't feel the gimmicks no  
You feel like you a real nigga, when you spit a flow  
Everybody'll be on your dick, when you finna blow  
Yeah-yeah, you know I hear ya mayn  
Situation ain't changed, mayn it's still the same  
You trying to get at Puff, you trying to get at Dame  
Plastic crack in the trunk, trying to get a name  
But they diss you, everytime you approach the guy  
How you survive, you can't sell a c.d. mo' than five  
Trust me, they couldn't feel your pain mo' than I  
Keep on grinding for it, and your money multiply  
I, use to scrabble raps up in my pad  
No do' just hope, yep that's all I had  
And my family, they didn't like it that's why I was mad  
Couldn't live up my own dreams, that's why I was bad  
Bad yeah, and you could color me bad  
But now the screen looking green, and they shoving me that  
I hear him scream bout the cream, but it doesn't be fact  
Cause it's only a few that's true, and really does it with rap  
That's the truth, that y'all would never hear  
Cause the picture they try to paint for you, is never clear  
Paint the pictures I see right through it, like it's Ever-clear  
You don't know the truth when you hear it, get a better ear yeah

(\*Faith Evans\*)

Cause I'm hopeful, yes I am hopeful for today  
Take this music and use it, let it take you away  
And be hopeful-hopeful, and he'll make a way  
I know it ain't easy, but that's ok - 2x
