Now haters hate it
Problems I can create it
My pistol is nickel plated
All of my friends can get a F U friendship is overrated
You waited
You pray to see rival of the mixtape god
I treat a track like soft white and make a mixtape hard
I get pApaaaaaa, the crib got a fish tank walls
These boys is playin' me as a joker better go switch they cards
I'm the hardest
That's regardless
Or wether or not I'm sign
Wether I'm in Atlanta or tippin' down in H-Town
Boys keep talkin down
Then I just might loose my mind
So don't question me 1 mo time
Without askin me do I mind
Paintin not Picasso
Like you macho
But that is not so
You would not know
That is not so
What you living alive for
