(Chamillionaire Chorus)

Roll So Low, But Everywhere I Go
They Say Ohh Noo (Oh No Nigga) Here Comes Trouble
I Roll So Low, But Everywhere I Go
They Say Ohh Noo (Oh No Nigga) Here Comes Trouble

(Chamillionaire Verse)

Is There Nobody To Warn Him, Chamillionaire Will Bomb On Him
Its Cool Your Sticking Up For Him, But If You Want You Can Join Him
Bombin On Him We Swarmin, Then Do It Again While He Mournin
You Cant Diss Me In A Dream And Not Feel Regret In The Mornin
Im Warnin Niggas, Its Gettin Quiet Im That Nigga That'll Stop The Peace

See The World Tryin To See How I Spit It So Crucial
They Say Chamill Is The Future, Other Niggas In Neutral
