

# Champaign, How Bout Us

Ooh, short and sweet  
No sense in draggin' on past our needs  
Let's don't keep it hangin' on  
If the fire's out, we should both be gone

Some people are made for each other  
Some people can love one another for life  
How 'bout us  
Some people can hold it together  
Last through all kinds of weather  
Can't we

Now don't you get me wrong (watcha you saying to me baby)  
'Cause I'm not tryin' now to end it all (let's start something new)  
It's just that I have seen (what have you seen)  
Too many lover's hearts lose their dreams (we won't lose it)

Some people are made for each other  
Some people can love one another for life  
How 'bout us  
Some people can hold it together  
Last through all kinds of weather  
Can't we

How about us, how about us baby (x3)

Are we going to make it girl  
Or are we gonna drift and drift and drift together

Ohhhh love

Some people are made for each other  
Some people are made for another for life, how 'bout us  
Some people can hold it together  
Last through all kinds of weather, tell me, can we
