Without Your Love (interlude)

(phillip laney stewart ii / thaddis l. harrell jr. /cynthia harrell / paula payden)

Lord, dear lord,

I give thanks for your love,

For i don't deserve all these blessings you give (i don't deserve it),

Without your love, i would be lost dear lord,

Without your love,

Your mercy and grace see me through.

Thank you jesus.
