

# Chantal Claret vs Adrian Young, Lazy

Wait, stop, stop, stop, stop  
Let's take it down and do it lazy  
Oh, oh, oh, lazy  
You drive me crazy  
Love is hazy  
So I will love  
A kid like you  
Had to send me away  
Left me on my back  
I had a heart attack  
Oh, oh, so lazy  
(Lazy)  
You make me lazy  
(Lazy)  
This love is hazy  
(Hazy)  
So let me go  
What do I do  
When you turn blue?  
I didn't even know  
You loved me so  
Oh, oh, oh, lazy  
(Lazy)  
You drive me crazy  
(Crazy)  
This love is crazy  
(Crazy)  
So let me go  
Oh, you're so lazy  
It's driving me crazy  
I had a heart attack  
Come on, now  
I had a heart attack  
Oh, oh, oh, lazy  
You're so lazy  
Come on  
So let me go  
Come on  
You stop me, too lazy  
Oh, I'm gonna go  
Crazy maybe  
Yeah, tear up, come on  
And you're lazy, yeah  
Let's go  
So let me go  
Let him go, come on everybody  
Let's get to go, please
