Chantal Kreviazuk, Feels Like Home

Somethin' in your eyes, makes me wanna lose myself Makes me wanna lose myself, in your arms There's somethin' in your voice, makes my heart beat fast Hope this feeling lasts, the rest of my life

If you knew how lonely my life has been And how long I've been so alone And if you knew how I wanted someone to come along And change my life the way you've done

It feels like home to me, it feels like home to me It feels like I'm all the way back where I come from It feels like home to me, it feels like home to me It feels like I'm all the way back where I belong

A window breaks, down a long, dark street And a siren wails in the night But I'm alright, 'cause I have you here with me And I can almost see, through the dark there is light

Well, if you knew how much this moment means to me And how long I've waited for your touch And if you knew how happy you are making me I never thought that I'd love anyone so much

It feels like home to me, it feels like home to me It feels like I'm all the way the back where I come from It feels like home to me, it feels like home to me It feels like I'm all the way back where I belong It feels like I'm all the way back where I belong
