

# Chantal Kreviazuk, Grow Up So Fast

It's mothers birthday  
She's forty years  
I don't know what to say  
Buy her roses and cry her tears  
She'll just give them away

Maybe I'll fight it  
Maybe I'll fight it

[Chorus:]

Why'd I have to grow up so fast?  
I just wanna stay here and laugh  
Oh we only  
Oh we only bloom away

You were wearing my favourite dress  
When you left that day  
My pillow covers your photograph  
You come to me in ways

Maybe I'll find her  
Maybe I'll find her

[Chorus]

I don't wanna be the one who has to be afraid  
I don't wanna be the one you feel you sorry for  
I just wanna be the one to make you smile  
And kiss your face

It's mothers birthday  
She's forty years  
I don't know what to say

[Chorus x2]
