

Chaotic Pieces, Invisible

I want to be Invisible sometimes
.. I wouldn't mind
People passing me by that time
I wouldn't mind
I wouldn't mind

I shouldn't been .. to hide

...
And you said
I not sound so restless
I'm

I'm not..
Be careful, careful
Coz .. my break down
And you and me end up loosing
All the pieces I've left behind
I'm not..
Be careful, careful
Coz .. my break down
And you and me end up loosing
All the pieces I've left behind
