

# Chaotic Pieces, Invisible

I want to be Invisible sometimes  
.. I wouldn't mind  
People passing me by that time  
I wouldn't mind  
I wouldn't mind

I shouldn't been .. to hide

...  
And you said  
I not sound so restless  
I'm

I'm not..  
Be careful, careful  
Coz .. my break down  
And you and me end up loosing  
All the pieces I've left behind  
I'm not..  
Be careful, careful  
Coz .. my break down  
And you and me end up loosing  
All the pieces I've left behind
