Chapman Tracy, Dreaming On A World

Chapman Tracy Matters Of The Heart Dreaming On A World I know I may be wishing On a world That may never be But I'll keep on wishing

No matter how hopeless Or foolish It may seem I'll keep on wishing

I'll toss my coins in the fountain Look for clovers in grassy lawns Search for shooting stars in the night Cross my fingers and dream on

I know I may be dreaming Of a world Far from present day reality But I'll keep on dreaming

No matter how unrealistic Or naive It may seem Always keep dreaming

And toss your coins in the fountain Look for clovers in grassy lawns Search for shooting stars in the night Cross your fingers and dream on

We must always be thinking Of a world As a place of infinite possibilities And always keep thinking

No matter how hopeless Or foolish It may seem Always keep thinking

And toss our coins in the fountain Look for clovers in grassy lawns Search for shooting stars in the night Cross our fingers and dream on

I'll keep on wishing We must always keep dreaming Of a world With equality and justice Thinking There could be a world Without poverty and sickness Wishing Of a world Without hunger and homelessness Dreaming Of a world Where all people live in peace Dreaming Of a world Dreaming On a world
