

Charlatans Uk, This Is The End

This is the end
I'll take a bow
With one reprise
Where I come from I don't see the sun
With friends I've followed(?)
I wandered lonely as a cloud
oooh
cause I never
I looked
through the stars
This is the end
This is the end
of all I know
Can't let you tell me what to do
Oh I will never be put down
Oh I will never be put down
Oh I will only be set free
This is the end for You and me
This is the end
I'll say goodbye
The final curtain
I look at all the amputees,
on the strip
And think, this is the end
(Guitar Solo)
This is the end of all I know
Can't let You tell me what to do
Oh I will never be put down
Oh I will never be put down
Oh I only want to be set free
This is the end for You and me
This is the end
I'll take a bow
With one last reprise
