

# Charles Wright & The Watts 103rd Street Rhythm

Express yourself  
Express yourself  
You don't ever need help from nobody else  
All you got to do now  
Express yourself  
Whatever you do  
Do it good  
Whatever you do, do, do, Lord, Lord  
Do it good, all right  
It's not what you look like  
When you're doin', what you're doin'  
It's what you're doin', when you're doin'  
What you look like you're doin'  
Express yourself  
Express yourself  
They're doin' it on the moon  
In the jungle too, everybody on the floor now  
Jumpin' like a kangaroo  
So let the horns do the thing they do

Some people have everything  
And other people don't  
But everything don't mean a thing  
If it ain't the thing you want  
Express yourself  
Express yourself  
Oh, do it, oh, do it  
Do it to it, go on and do it  
Yo, do it, give  
Express yourself  
Express yourself  
Do it, oh Lord  
Do it, yeah  
Express yourself  
Express yourself  
Express yourself
