

Charles Wright & The Watts 103rd Street Rhythm

Express yourself
Express yourself
You don't ever need help from nobody else
All you got to do now
Express yourself
Whatever you do
Do it good
Whatever you do, do, do, Lord, Lord
Do it good, all right
It's not what you look like
When you're doin', what you're doin'
It's what you're doin', when you're doin'
What you look like you're doin'
Express yourself
Express yourself
They're doin' it on the moon
In the jungle too, everybody on the floor now
Jumpin' like a kangaroo
So let the horns do the thing they do

Some people have everything
And other people don't
But everything don't mean a thing
If it ain't the thing you want
Express yourself
Express yourself
Oh, do it, oh, do it
Do it to it, go on and do it
Yo, do it, give
Express yourself
Express yourself
Do it, oh Lord
Do it, yeah
Express yourself
Express yourself
Express yourself
