

# Charley Pride, I Could Never Be Ashamed Of You

Everybody says you let me down I should be ashamed to take you round  
Makes no difference what you used to do darling I could never be ashamed of you  
Maybe you were reckless yesterday but together we can find a brighter day  
In my heart I know that you'll come true darling I could never be ashamed of you  
[ steel ]

All the happiness I've ever known came the day you said you'd be my own  
And it matters not what we go through darling I could never be ashamed of you  
Maybe you've been cheated in the past and perhaps those memories will always last  
Even though you prove to be untrue darling I could never be ashamed of you  
Darling I could never be ashamed of you
