

Charley Pride, It Amazes Me

Anytime the world is gettin' to me all I have to do is think of you
And I know the world cannot undo me I feel so easy loving you
It amazes me at all I seem to be is me loving you and you loving me
It amazes me the rhythm and the rhyme two loving hearts in sweet loving times
Mhm sweet loving times

I never find the words to tell you somehow they're always hard to say
But I hope you feel it when I hold you my love is growing everyday
It amazes me at all...
