

Charley Pride, Just To Be Loved By You

Yes it's true that I've known other but I didn't know back then
A man could ever want the way I do
And the life I used to lead was before I found the need just to be loved by you
Ever since the day I found you I have felt deep down inside
I just been marking time my whole life through
And what life there's left to live darling I would gladly give just to be loved by you
I would climb the highest mountain and swim the deepest sea
Oh there's nothing in this world I wouldn't do
If it brought you happiness I'd give all that I possess just to be loved by you
Just to be loved by you
