MORE AND MORE

(Merle Kilgore - Webb Pierce)

'54 Cedarwood Publishing, BMI

More and more I'm forgetting the past more and more I'm living at last
Day by day I'm losin' my blues more and more I'm forgettin' bout you
But oh how hard I'd tried to keep you by my side
And oh how I cried the day we said goodbye
Day by day I'm losin' my blues more and more I'm forgettin' bout you
But oh how hard I'd tried to keep you by my side
And oh how I cried the day we said goodbye
Day by day I'm losin' my blues more and more I'm forgettin' bout you
