

# Charley Pride, Too Hard To Say I'm Sorry

Just two words were all that she would ask of me  
And I could have the world and all its holds for me  
Of love and tender care not the pain and the sorrow  
That will be mine tomorrow but I just can't seem to say it I'm sorry  
I know exactly what I should do admit I'm wrong it wouldn't take long  
And she'd forgive me  
And I know exactly what I ought to say but I'm not built that way  
Wish that I could say I'm sorry  
I'm a man at least that's what I'll like to think  
A stubborn man who now is standing on the brink  
Of hate and despair and I care and I'm sorry  
And I ought to tell her but I just can't seem to say it I'm sorry  
I know exactly what I should do  
But I'm a fool I guess I'll do the things that fools do  
I'll stand and watch my dreams go down the drain in my stubborn way  
And as they sink I'll say I'm sorry
