

# Charley Pride, Why Didn't I Think Of That

I hear your new love sends you pretty something different each day  
And he never forget to call you whenever he's away  
He sends you flowers and candy tied in ribbons of blue  
Why didn't I think of that before I lost you  
He takes you dancing out with the crowd  
And when you walk beside him he looks so proud  
He does thoughtful little things that I didn't do  
Why didn't I think of that before I lost you  
But I was so concerned with other things I couldn't see  
How lonely you were for the love you never got from me  
I should have told you every day I was thankful for you  
Why didn't I think of that before I lost you  
Why didn't I think of that before I lost you
