Charley Pride, You're Wanting Me To Stop Loving

I have done everything I can to please you
And the price I paid for loving you was high
And for you I would been over backwards just to keep you satified
Now you say that you would like to ask a favor and I just can't believe that it's true
But I'm afraid that this is one time I can't help you
Cause you're wanting me to stop loving you
[fiddle]
I have tried all I know to make you happy
And you know your every wish is my command
Now today you say that it's all over and I just don't understand
Now you say that you would like...
