Charli XCX, Break the Rules

Electric lights Blow my mind But I feel alright

And never stop, it's how we ride Comin' up until we die

You catch my eye If you wanna fly I'm so alive

Never stop, it's how we ride Comin' up until we die

I don't wanna go to school
I just wanna break the rules
Boys and girls across the world
Putting on our dancing shoes
Going to the discotheque
Getting high and getting wrecked
I don't wanna go to school
I just wanna break the rules

I don't wanna go to school
I just wanna break the rules
Boys and girls across the world
Putting on our dancing shoes
Going to the discotheque
Getting high and getting wrecked
I don't wanna go to school
I just wanna break the rules

I'm such a star Queen boulevard Blaze through the dark

And never stop, it's how we ride Comin' up until we die

I don't wanna go to school
I just wanna break the rules
Boys and girls across the world
Putting on our dancing shoes
Going to the discotheque
Getting high and getting wrecked
I don't wanna go to school
I just wanna break the rules

Get my guitar Sunglasses on So light it up

And never stop, it's how we ride Comin' up until we die

I don't wanna go to school
I just wanna break the rules
Boys and girls across the world
Putting on our dancing shoes
Going to the discotheque
Getting high and getting wrecked
I don't wanna go to school
I just wanna break the rules
