

Charli XCX, February 2017 (feat. Clairo and Yaeji)

ahh
yeah yeah yeah yeah
Ohh
yeah yeah yeah yeah
yeah

no one keep on saying I am alright

..
when I caught off the line
I feel like crying
when your picture on my mind
put then...
I guess I am going blind
I feel like crying

you can forgive all crimes

..
I see you blind
I feel like crying
.. single night
I see a sign
give me a sign

sorry I broke you down
sorry I toyed your heart
I ripped it all apart
you head's in the dark
sorry about greedy night
