

Charlie Barnet, Where Was I?

Charlie Barnet

Miscellaneous

Where Was I?

Where Was I

Charlie Barnett

Oh where was I the night
that you surrendered to a sigh.

Where was I

The moon was high the night
that you first listened to a lie.

Where was I.

I always felt
that you would melt
in someone's arms some night
And I was right.

The moment came
but what a shame
that someone else came by.

Where was I.
