

Charlie Daniels, Whiskey

Tennessee bootleg moonshine whiskey
Sure do make a man feel, mighty frisky
An' I love my whiskey
(Love my whiskey)
I drink it all the time
(Drink it all the time)
Long as I got my whiskey I'm gonna
Stay stoned, runnin' blind
Some people say it's a sin for a man to get
Get high
But they drink that whiskey like it's
Goin outta style
An' I love my whiskey
(An' I love my whiskey)
Lord, I drink it all the time
(All the time)
Long as I got my juice I'm gonna
Stay stoned, runnin' blind
Sunshine, freezin' rain, and snow
Lord I take my bottle everywhere I go
I just love my whiskey
(Love my whiskey)
I drink it all the time
(All the time)
Long as I got my sauce I'm gonna
Stay stoned, runnin' blind

Best way I know how to spend my day
Now then
Gimme a bottle of that sour mash
An' I love my whiskey
I drink it all the time
Long as I got my juice I'm gonna
Stay stoned runnin' blind
Tennessee bootleg moonshine whiskey
Sure do make a man feel, mighty frisky
Well, I love my whiskey
(Love my whiskey)
I love my whiskey
(Love my whiskey)
I just love my whiskey
(Love my whiskey)
I love my whiskey
(Love my whiskey)
Long as I got my bottle I'm gonna
Stay stoned, runnin' blind
Long as I got my bottle I'm gonna
Stay stoned, runnin' blind
Well, I got my bottle I'm gonna
Stay cool all the time
All the time, woo, alright
