

# Charlie Hall, New Year

My heart beats like a drum, flying up with the sun  
I grab Your hand again  
Renovated with life, my eyes again bright  
And You are radiant  
Where hope can hold my hand of sorrow  
And we can walk into tomorrow  
Where peace is found in troubled days  
And the joy of Jesus carries pain  
This is a new year, this is a new day to rise  
Shine, lift up your eyes  
This is a new year, this is a new day to rise  
Shine and point the way to God's great life  
I'm held in a place, a beautiful space  
Where heaven meets the earth  
My heart opens wide and the Father pours life  
Deep inside my soul  
Where hope can hold my hand of sorrow  
We can walk into tomorrow  
Where peace is found in troubled days  
And the joy of Jesus carries pain  
This is a new year, this is a new day to rise  
Shine, lift up your eyes  
This is a new year, this is a new day to rise  
Shine and point the way to God's great life  
Where hope can hold my hand of sorrow  
We can walk into tomorrow  
This is a new year, this is a new day to rise  
Shine, lift up your eyes  
This is a new year, this is a new day to rise  
Shine and point the way to God's great life  
This is a new year, this is a new day  
Rise, rise, rise and shine  
This is a new year, this is a new year
