

# Charlie Landsborough, Fields Of Gold

You'll remember me when the west winds move  
Among the fields of barley  
You can tell the sun in his jealous skies  
When we walked in fields of gold

Will you stay with me will you be my love  
Among fields of barley  
You can tell the sun in his jealous skies  
When we walked in fields of gold

I never made promises like this  
There has been some that I've broken  
But I swear in the days to come  
We will walk in fields of gold  
We will walk in fields of gold

MUSIC.

I never make promises like these  
But there have been some that I've broken  
I swear the days to come  
We will walk in fields of gold  
We will walk in fields of gold

MUSIC-----

Many years have past  
Since those summer days  
Among the fields of barley  
See the child run  
As the sun goes down  
As you lie in fields of gold  
You'll remember me when the west wind moves  
Among the fields of barley  
You can tell the sun in his jealous skies  
When we walk in fields of gold  
When we walk in fields of gold  
When we walk in fields of gold
