

Charlie Landsborough, It'll Be Her

If anyone ever finds a better way of love
It'll be her loving me
If anyone ever goes out of their way to show they care
It'll be her loving me

She's every woman that I've ever know rolled up in one
And if I never love anymore she'll be the one to get it done
The way it should be
It'll be her loving me

If ever I'm down and out and need some one to love
It'll her Loving me
If ever I'm in the cold and I need someone warm to hold
It'll be Her loving me

She's every woman that I've ever know rolled into one
And if I never love anymore she'll be the one to get it done
The way it should be
It'll be her loving me
