

Charlie Louvin, I Couldn't Love You More

I could give you pretty clothes show you off downtown
Make you so happy all the time
And I could be so proud of you brag about the things you do
But I couldn't love you more if you were mine

Oh I know he mistreats you and there's no love left for him
Still he holds you to the vows you made one time
I'd walk through the flame for you do anything you ask me to
But I couldn't love you more if you were mine

No I couldn't love you more if you were mine
For I miss you when I leave and my anger starts to climb
Yes I hate this life we're living so let's lay it on the line
Cause I couldn't love you more if you were mine

[steel]

No I couldn't love you more if you were mine...
No I couldn't love you more if you were mine
