

Charlie Louvin, Let Me Put It Another Way

Let me put it another way there's no use to talk around it
We'd better go our separate ways the love that's died can't live again

We denied it much too long now we tried to spare each other's heart
Now I'm wondering if you're wondering if it's best that we should part

Let me put it another way...

There's no use to hide our feelings they have a way of showin' through
How our world has helped together by some lines all faded blue

Let me put it another way...
