

Charlie Louvin, Million Years Or So

I'm not worry cause I know
I'll forget you in a million years or so
I'll miss you but I know
I won't miss you bout a million years or so

How I loved I loved you so
How I lost you maybe time in time will let me know
But I'm not worry cause I know
I'll forget you in a million years or so
[guitar]
How I loved I loved you so...
How I loved you but I know
I'll forget you in a million years or so
