

# Charlie Peacock, In the Light

I keep trying to find a life  
On my own, apart from you  
I am the queen of excuses  
I've got one for every selfish thing that I'll do  
Oh, what's going on inside of me?  
I despise my own behavior  
This only serves to confirm my suspicions  
I'm still a man in need of a Saviour  
I wanna be in the light as you are in the light  
I wanna shine like the stars in the heavens  
Oh, Lord be my light and be my salvation  
All I want is to be in the light  
All I want is to be in the light  
The disease of the self runs through my blood  
Is a cancer fatal to the soul  
Every attempt on my behalf has failed  
To bring the sickness under control  
I wanna be in the light as you are in the light  
I wanna shine like the stars in the heavens  
Oh, Lord be my light and be my salvation  
All I want is to be in the light  
All I want is to be in the light  
In the light, in the light  
In the light, in the light, in the light  
In the light, in the light  
In the light, in the light, in the light  
In the light, you are in the light  
In the light, wanna shine like the stars in the heavens  
In the light, [Incomprehensible] 3.47  
In the light, in the light  
All I want, all I want, all I want  
All I want, all I want, all I want  
In the light of love, in the light of love  
All I want, all I want, all I want
