Charlie Wilson, Charlie Last Name: Wilson

Yo C, You know we need to go out and do somethin' man

Got all these hot cars and hot cribs

Ain't got nobody to share it with, baby

You know what I mean? Let's go

Hey girl, how you doin'?

My name is Charlie, last name Wilson

I was wonderin' if I could take you out

Show you a good time, invite you to my house

Here is my number, girl you can call me

And don't forget it baby, the name is Charlie

With all of this fortune, what am I doin' single

Sometimes I tell myself, " Man, get out and mingle "

You don't have to be alone, you need someone to love

But bein' famous sometimes it's hard to find someone to trust

But the hell with that this time, I'm gonna treat myself

Being in love is good for your health

It's time to share this fortune and fame with someone else

Now that I'm in this club, I might as well, yeah

Hey girl, how you doin'?

My name is Charlie, last name Wilson

I was wonderin' if I could take you out

Show you a good time, invite you to my house

Here is my number, girl you can call me

And don't forget it baby, the name is Charlie

Now, I ain't got nobody to ride in my new Coupe with

Ain't even got nobody to chill with on the weekend

This is just a house, until someone makes it a home

Love don't count me out, 'cause I'm so all alone

But the Hell with that this time, I'm gonna treat myself

Bein' in love is good for your health

Now the reason that I laugh is because it feels like I know you

This must be one hell of a Deja Vu

Haven't I seen you somewhere before?

And I know you heard this somewhere else

And how I want you girl for sure

And that's why I'm introducin' myself, yeah
