

# Charlotte Church, Dream A Dream

When the night is still  
And the sea is calm  
Lonely shadow, you call upon me

Lay by my side  
Fear not tonight  
Lonely shadow, you'll find a new light

Dream a dream  
And see through angels eyes  
A place where we can fly away

Ride with me upon a shining star,  
Above the moonlit sky  
We will find Elysium

Hear the nightingale  
Sing a lullaby  
Lonely shadow, you'll find a new light

Dawn will be kind,  
All will be bright,  
Lonely shadow, rise from the darkness

Dream a dream, etc
