

Charlotte Sometimes, Build Me The Moon

Give me a moment
Give me a clue
Tell me anything
As long as it's true
Give me heartache
That's what you do
Tell me you want me
I'm sick of being used
I send my heart to you
But you never care
You never do
So build me up bridges
Build me the moon
Tell me you love me
Tell me you'll love me soon
Yeah, oh
You didn't know that I cried
In my room every night
Maybe it's not 'cause of you
But it'd be easier if you needed me too
I send my heart to you
But you never care
You never do
So build me up bridges
Build me the moon
Tell me you love me
Tell me you'll love me soon
Yeah, oh
So build me up bridges
Build me the moon
Tell me you love me
And tell me you'll love me
I cannot stop, I cannot smile
I know we weren't meant to be
But I want you here with me
So build me up bridges
Build me the moon
Tell me you love me
So build me up bridges
Build me the moon
Tell me you love me
Tell me you love me
Build me up bridges
Build me the moon
Tell me you love me
Tell me you'll love me soon
Yeah, oh, oh, oh, oh, oh
