

Charly Lownoise, This Christmas

Step into my dreams this Christmas and leave your cares behind and tell me
Your dreams, your wish and I will give you
All the love to make it come true
And one day when the snow is falling, we will ride that sleigh together
And jingle bells will fill the air
It's Christmas time, it's everywhere, this Christmas
This Christmas!

Step into my dreams this Christmas and keep me warm with tender kisses
Hold me tight and let me know
If you'd like to do it in the snow, oh
Together we will glow forever
The moon is bright, it's now or never
Stay with me and share the night.
I want to wake up with you side by side this Christmas
This Christmas!
