Radio Heart (1985)

Married at sixteen two kids by twenty one
But he couldn't take it now she's raising them on her own
Between the bills and the laundry sometimes she's so lonely she cries
But she's found an escape from some of the ache inside

She's got a radio heart she loves the songs they play they take him off her mind
She's got a radio heart it helps fill an empty space he left behind
She gets lost in a steel guitar oh it's her way out when the heartache starts
She's found a little salvation on a local station she's got a radio heart

She'll finish cleaning the table then put the kids off to bed
She tries to watch an old movie but she thinks of him instead
She lies alone in the dark and stares at the lighted dial
She gets into the music and out of this world for a while

She's got a radio heart she loves the songs they play they take him off her mind
She's got a radio heart it helps fill an empty space he left behind
She gets lost in a steel guitar oh it's her way out when the heartache starts
She's found a little salvation on a local station she's got a radio heart
She's got a radio heart
