

# Charly McClain, Some Hearts Get All The Breaks

(Jeff Raymond/Buck Moore)

Some hearts out there lookin' for the perfect mate  
Fool around until it's too late  
& true love's passed them by  
Some hearts never found out what they're after  
Never learned to master  
They don't even try  
& then they wonder why...

CHORUS:

Some hearts get all the breaks  
Some never feel the old heartache  
Some hearts never make mistakes  
'Cause they got what it takes  
Some hearts get all the breaks

Some eyes look forever but they never see  
The one love that was meant to be  
They just sit & cry  
Some hearts reach out but never hold you  
Although they may enfold you  
They never really try  
& then they wonder why...

(repeat chorus & fade)
