

# Charmed, Good Bye My Love

Chorus:

Winds of time, gather around.  
Give me wings to speed my way.  
Rush me on my journey forward.  
Let tomorrow be today.

Wind of time, gather around.  
Give me wings to speed my way.  
Rush me on my journey forward.  
Let tomorrow be today.

Wind of time, gather around.  
Give me wings to speed my way.  
Rush me on my journey forward.  
Let tomorrow be today
