

Charmed, My Powers Are Your

I can see how you suffer, darling
I cry 'cause I can't ease your pain
You have the power to heal
But it doesn't help you
I can't lose you now.
Don't punish me for what i'll do

Chorus:

What's mine is yours
What's yours is mine
Let our powers cross the line
I offer up my gift to share
Switch our powers through the air

I do this only for you
You have my gifts now and i have yours
Just let me help you
'cause I just can't live without you

Power comes from my heart
My love will save you
Trust me and let me trust you
Hold my hand and stay with me
Soon your pain is history
I won't let you die

Chorus

Can you feel life coming back into you?
Yes, my dear, I'm here
Just feel my love and be with me
I'd do anything for you
You know it, anything

Chorus (2x)
