

Cheap Trick, All I Really Want

I'm in the right place just at the wrong time
Oh, what am I gonna do?
She left her name but she left no number
Oh, what am I gonna do?
I'm in the thick of it nowhere to turn to
Let me explain got some Coming and going
And going and coming
I'm going to be coming
And then I'll be gone
All I really wanna do is love you
(Ooh, ooh)
Open up your heart and let me love you
(Ooh, ooh)
I can't help it I can't stop it
I can't keep my heart from saying
All I really want to do is love you
(Ooh, ooh, ah yeah)
All I really wanna do is love you
(Ooh, ooh)
Open up your heart and let me love you
(Ooh, ooh)
I can't help it I can't stop it
I can't keep my heart from saying
All I really want to do is love you
(Ooh, ooh, ah yeah)
